# Multi Layer Perceptron

Malkapuram Nikhitha
Alla Nikhitha
Srinija Raj

Talent Sprint - WE program

June 19, 2019

What is Multi Layer Perceptron?

Figure labels: neuron; Input (features); Hidden Layers lots of layers ~ "deep learning"; Output (prediction)

Our project

- Implementing MLP algorithm from scratch

Technologies

- Machine learning
- Deep neural networks
- Language : Python3

Why this project ?

Target

- Develop complete algorithm

Data & Labels

Network training
